Students, Families and Staff of PDSD,

The motto this school year was "Together We are One...School, Community, Culture, Team." The circle design of our new Shared Purpose seemed fitting for focusing on collaboration, working together, unity and teamwork. Throughout the year, examples of how various departments worked together were evident.

Together we are...

ONE

School Community Culture Team

***Food Service** worked with **Students** as part of the Roadrunner Council by listening to their suggestions for improvements.

***Related Services** teamed up with **Teachers** to incorporate unit vocabulary into their individual sessions.

***Leadership** worked with **Transportation** staff to ensure the ride to/from school was safe.

***Athletics** worked with **Maintenance** for upkeep of the sports fields and facilities.

***Administrative Support** worked with **Facilities** to improve the custodial work on campus.

***Library/Media** worked with **IT** to distribute new technology devices while also expanding our library book selection.

***Instructional Assistants** worked with **Security** in the bus loading zone, with the new fence and "drop and go" procedure.

Throughout the year, an ASL chant quickly became a consistent representation of who we are. We are one team, one school and one Roadrunner! We showed what could be done with the power of **ONE!**

Optimist Club

The Roadrunner Council is a program that combines Jr. NAD and Student Body Government. They offer Deaf and hard of hearing high school students opportunities to develop leadership skills, learn and demonstrate citizenship, and meet and interact with students from other schools.

Our chapter meets every Tuesday at noon. Each student has different tasks to work on. They participate in community events and fundraising, such as selling snow cones during Homecoming and s'mores during Winterfest. The Council (2 advisors and 3 students) traveled to Florida for the Jr. NAD conference in November. In November, Maddie Fears represented our chapter at the Arizona Association of the Deaf AZAD state conference. The Council also hosted the

National Youth Day in April. The Roadrunner Council students worked on Prom with our High School Supervisor, Jill Voit. After school ends, we will have some students volunteering their time at the upcoming NAD conference held in Phoenix in July.

Optimism, Gratitude and Happiness

Congratulations to PDSH High School students at the State Level Optimist Club Competition! The students presented their essays on the topic "How My Best Brings Out the Best in Others."

Marques proudly presented his ideas and left the audience wanting more. Anna confidently expressed her beliefs and impressed the audience. Cameron positively communicated how not to give up.

In my heart, the students are all WINNERS! Thank you to the teachers, parents and staff who supported these students in their journey. Please congratulate Anna, Marques and Cameron in their academic successes.

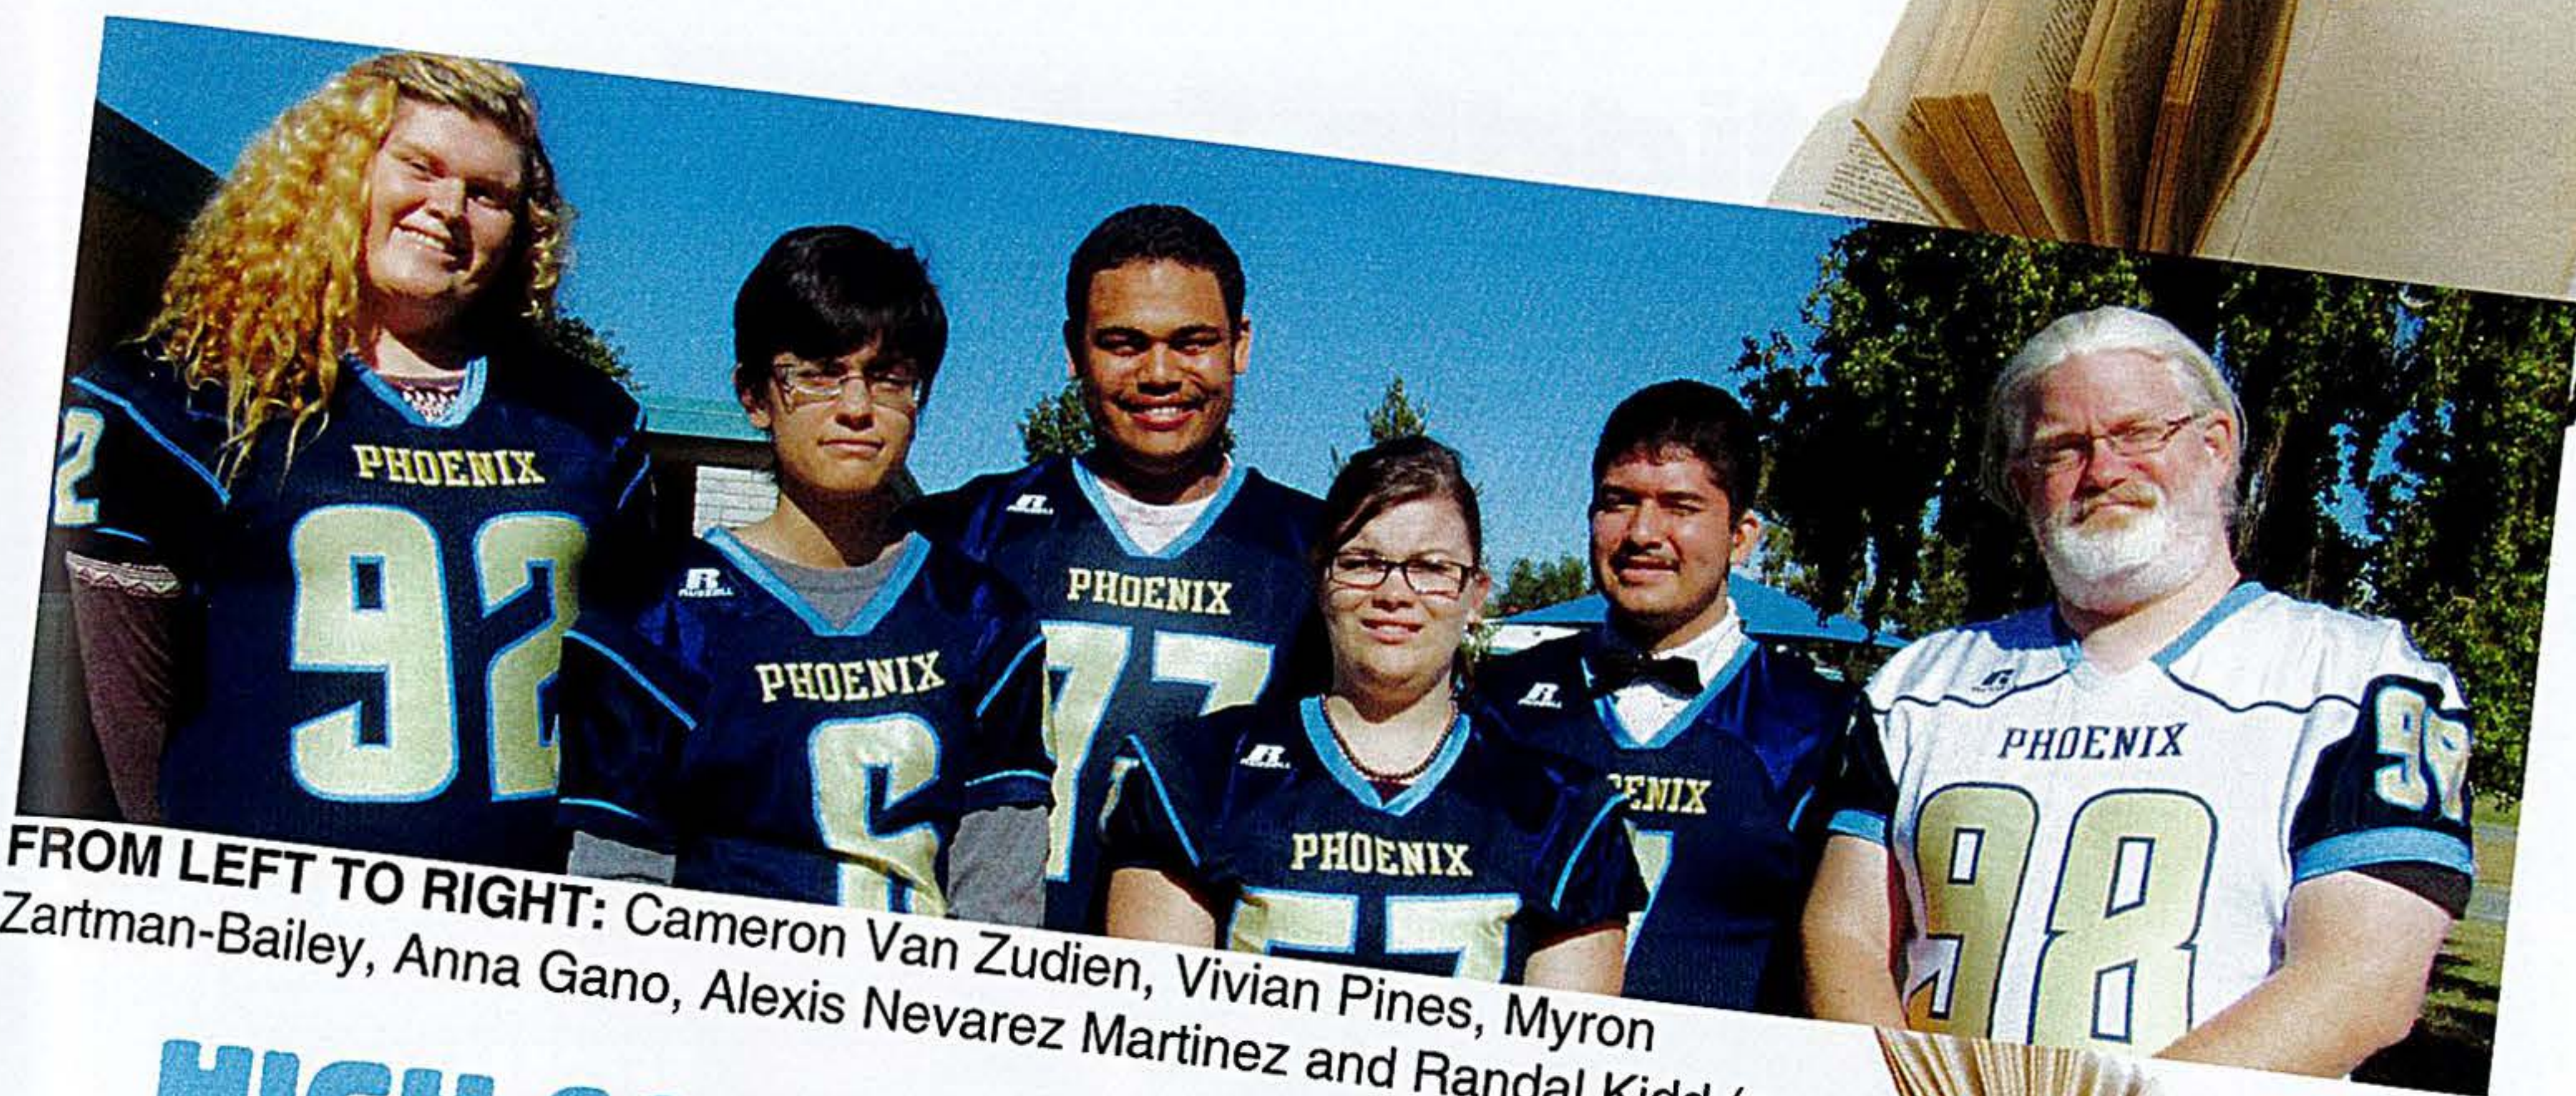

In addition, please help me in congratulating Cameron Van Zuiden in winning third place and a \$500 scholarship.

These students and the experience reminded me of this quote..."Don't cry because it's over, smile because it happened." - Dr. Seuss

HIGH SCHOOL ACADEMIC BOWL

The Academic Bowl team has been clawing their way through other schools, making people notice us! This year, we got some new bling for our trophy shelves: a Roadrunner Classic Championship Second Place award in the Western Academic Bowl League. We even made it as the Wild Card for the Southwest Regionals! We won way more than we lost, and even when we had losses we fought hard. We never gave up and we showed the world what Roadrunners are made of!

- Randal Kidd

Middle School Student Council

FROM LEFT TO RIGHT: Secretary Melissa Sanchez, **Treasurer** Zander Herbold, **President** Natasha Richards Hamilton, and **Vice President** Arlet Martinez Bautista.

Our Middle School Student Council organized and hosted fun after school events, such as the Halloween Party, the Holiday Party, and the Valentine's Day Party. Because the Student Council board members put so much effort in planning, everything ran smoothly. They met several times a month to prepare and learned leadership skills. The Student Council encouraged their peers to do well in school in order to participate in the events. They also assisted in hosting a fundraiser to raise money for the Middle School students to attend Wet 'n' Wild in May.

BLUE TEAM - LEFT TO RIGHT: Brandon Licon, Brianna Soto, Willow Herbold, Jane Garza (Chaperone), Zoe Abrams-Gay, Coffey King.

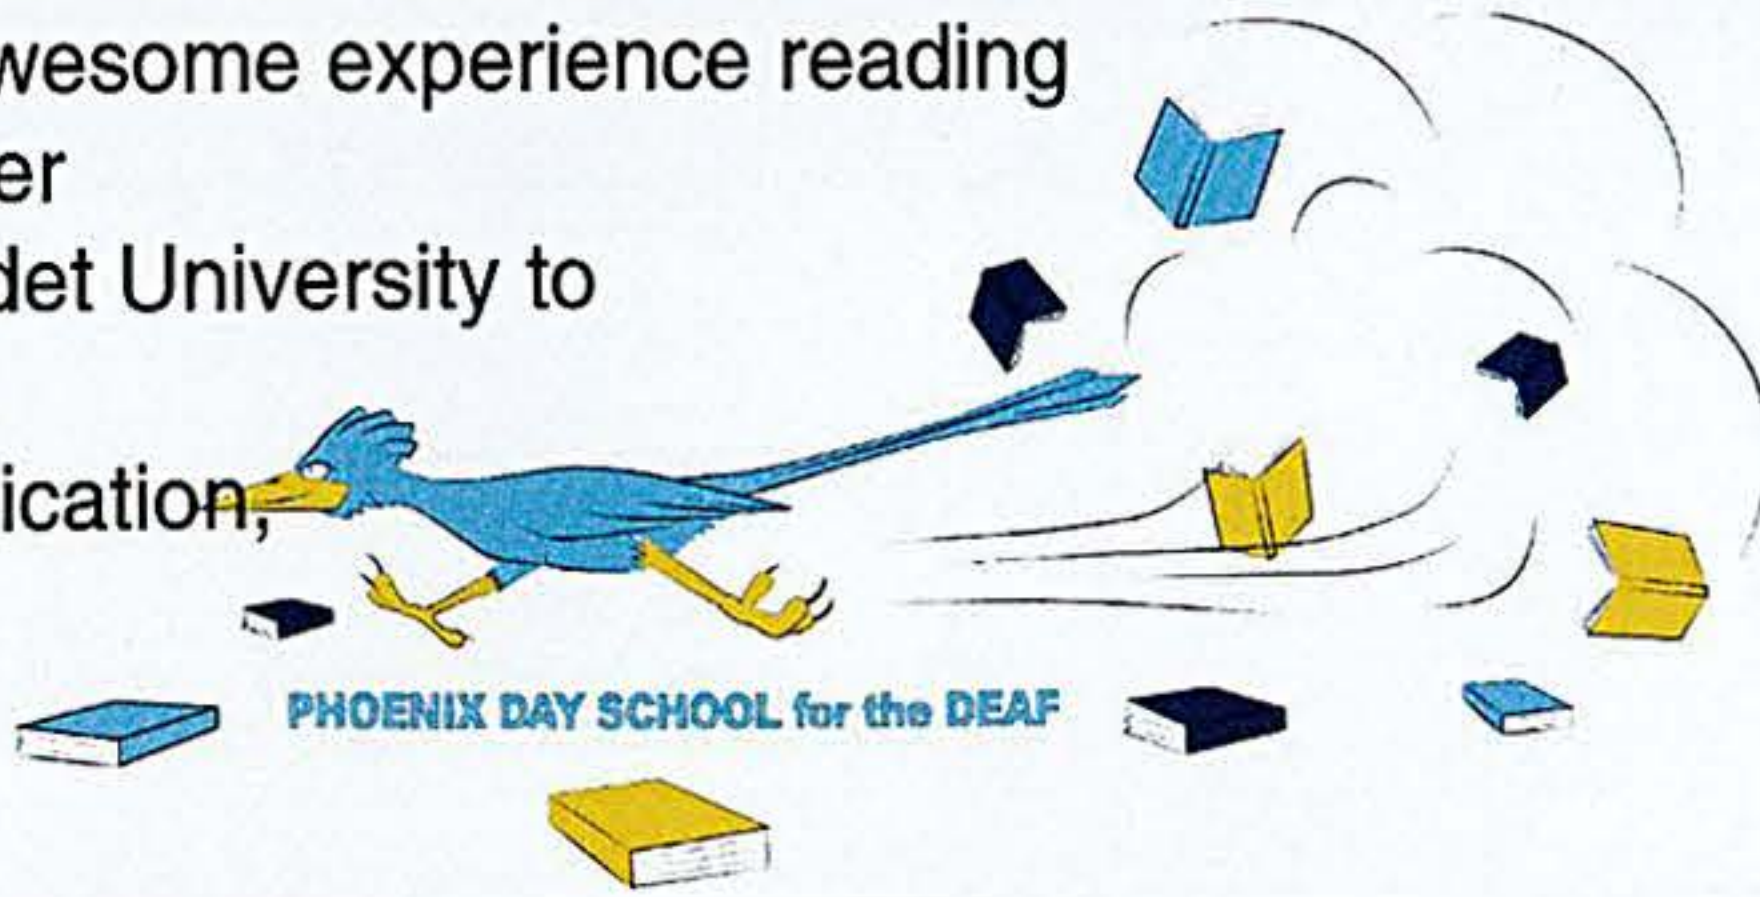

The audience lent their support for PSD teams. Our teams worked together to memorize facts and explain the elements of the story lines to be ready for the ultimate Battle of the Books at Gallaudet University.

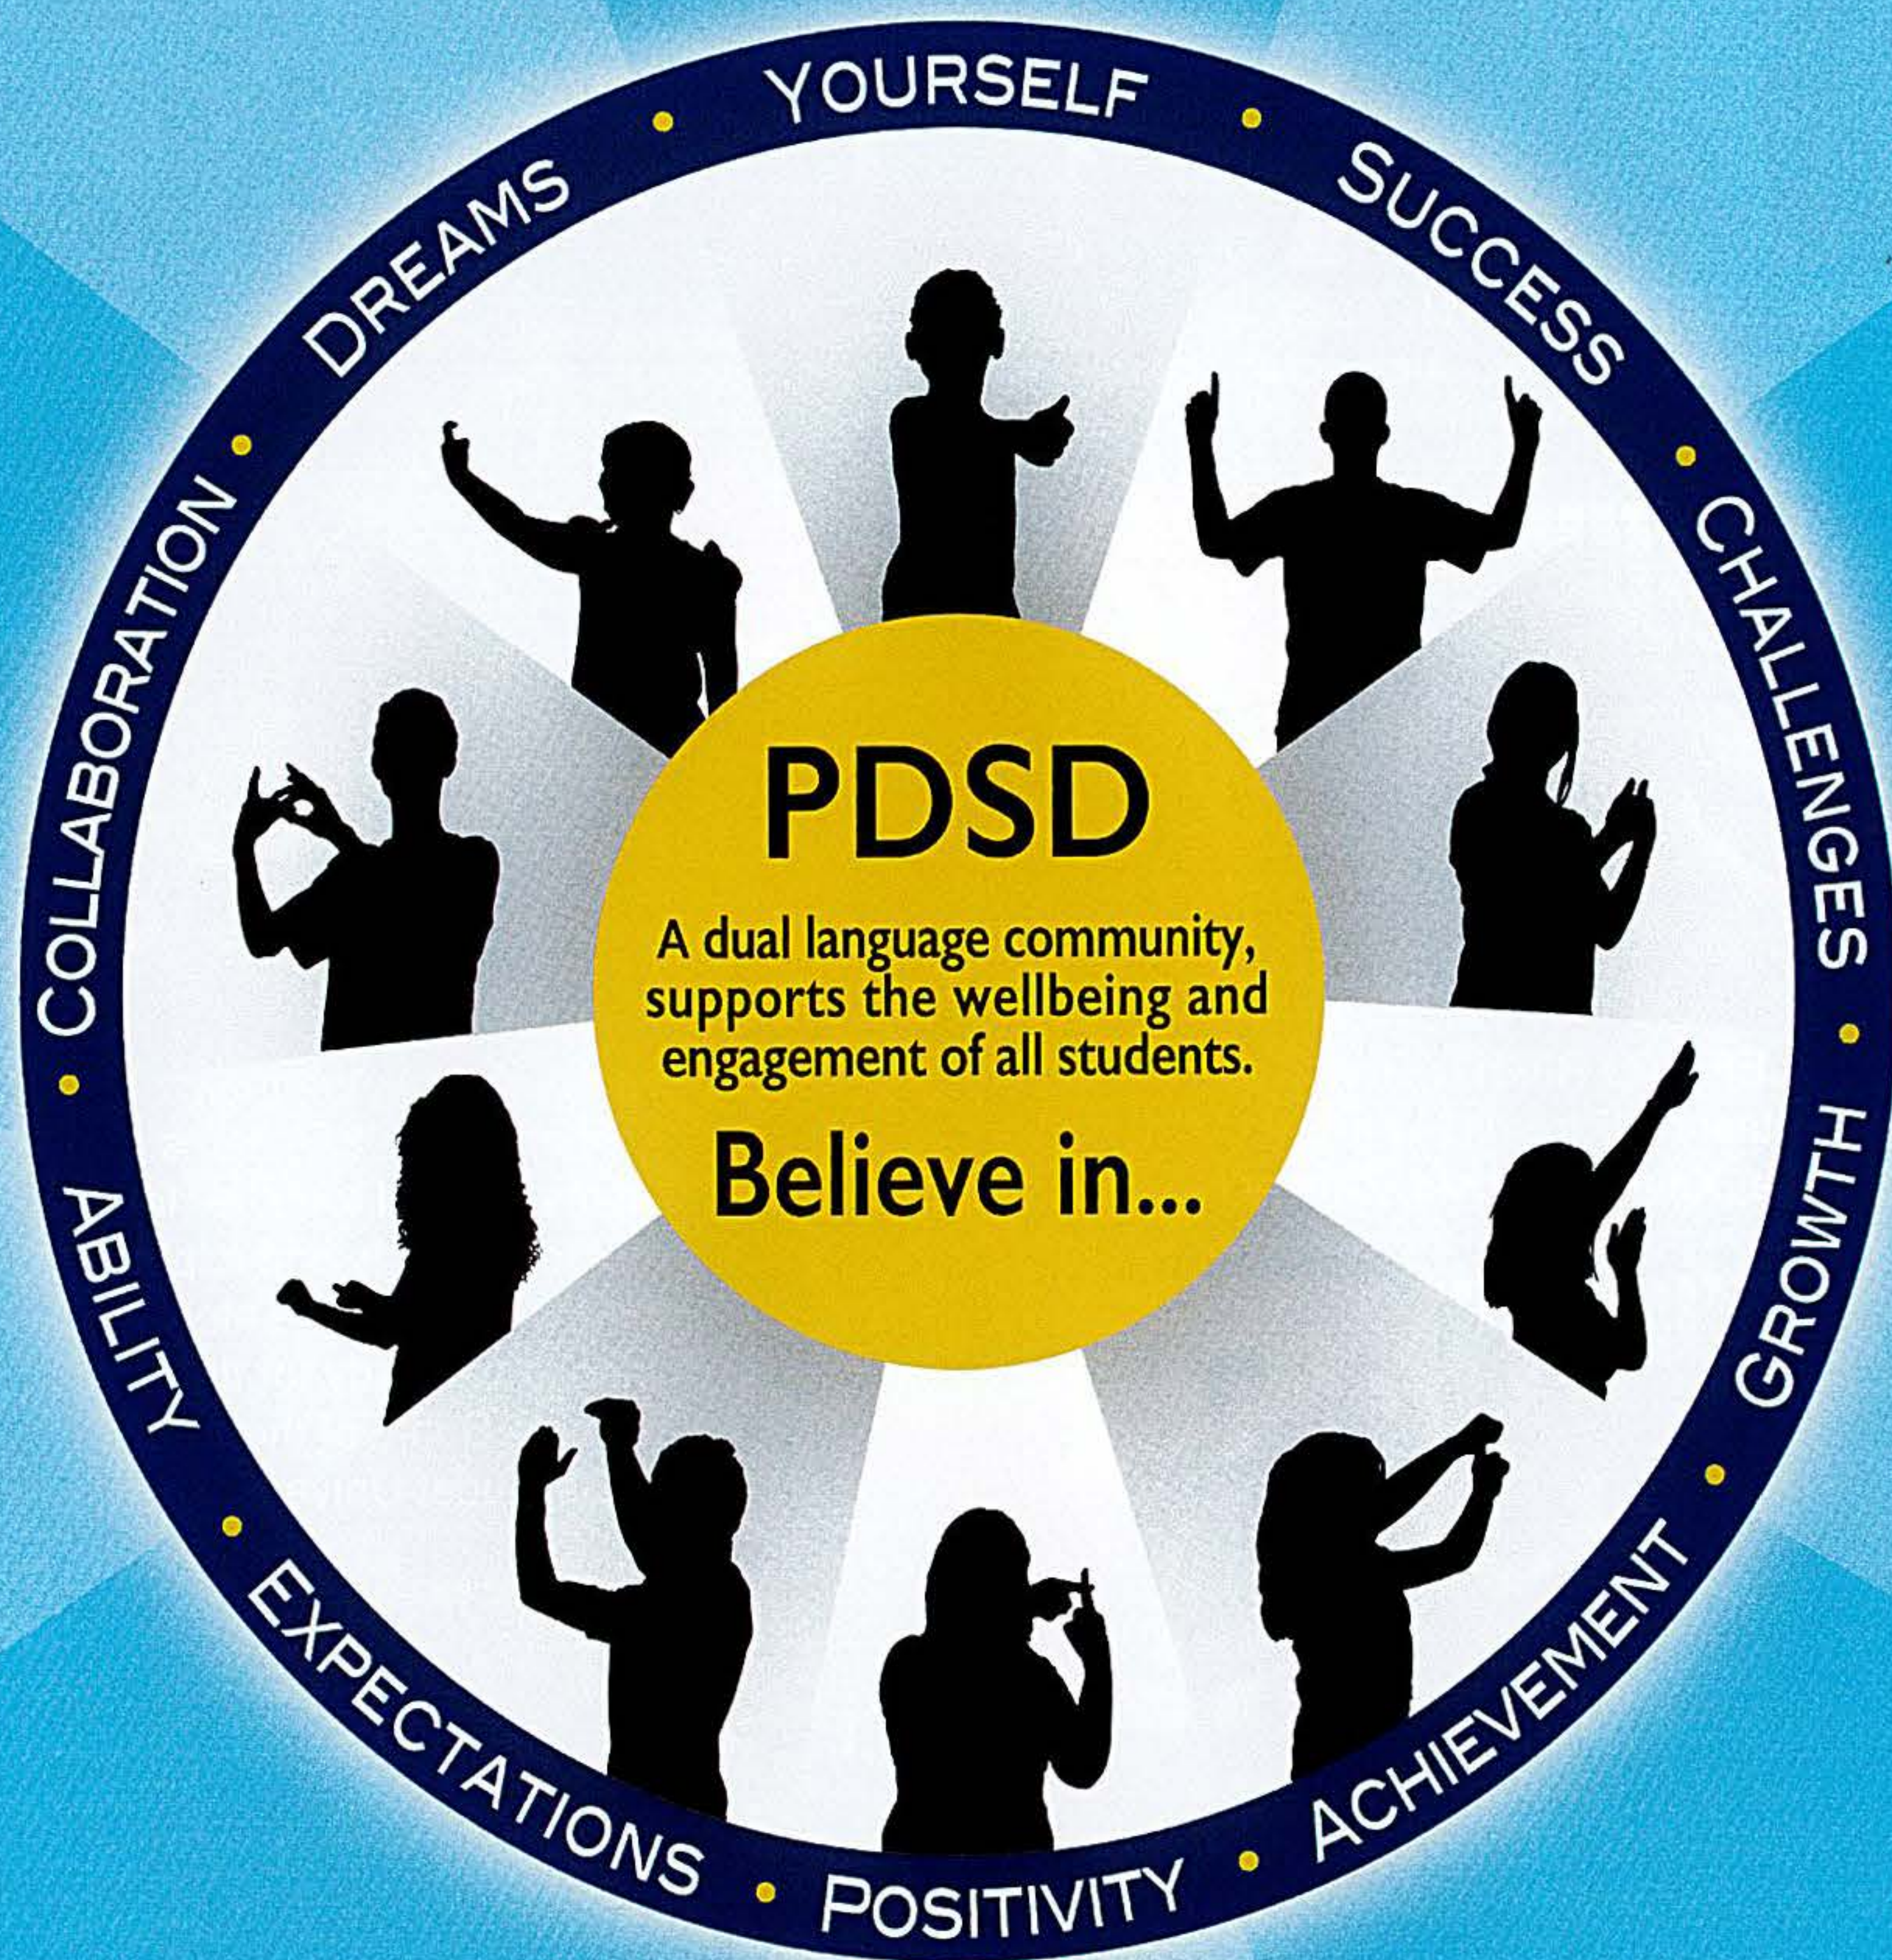

We tried to take a picture of these students on the wooden fence but the fence broke, oops! Everyone was okay. It was really funny, though!

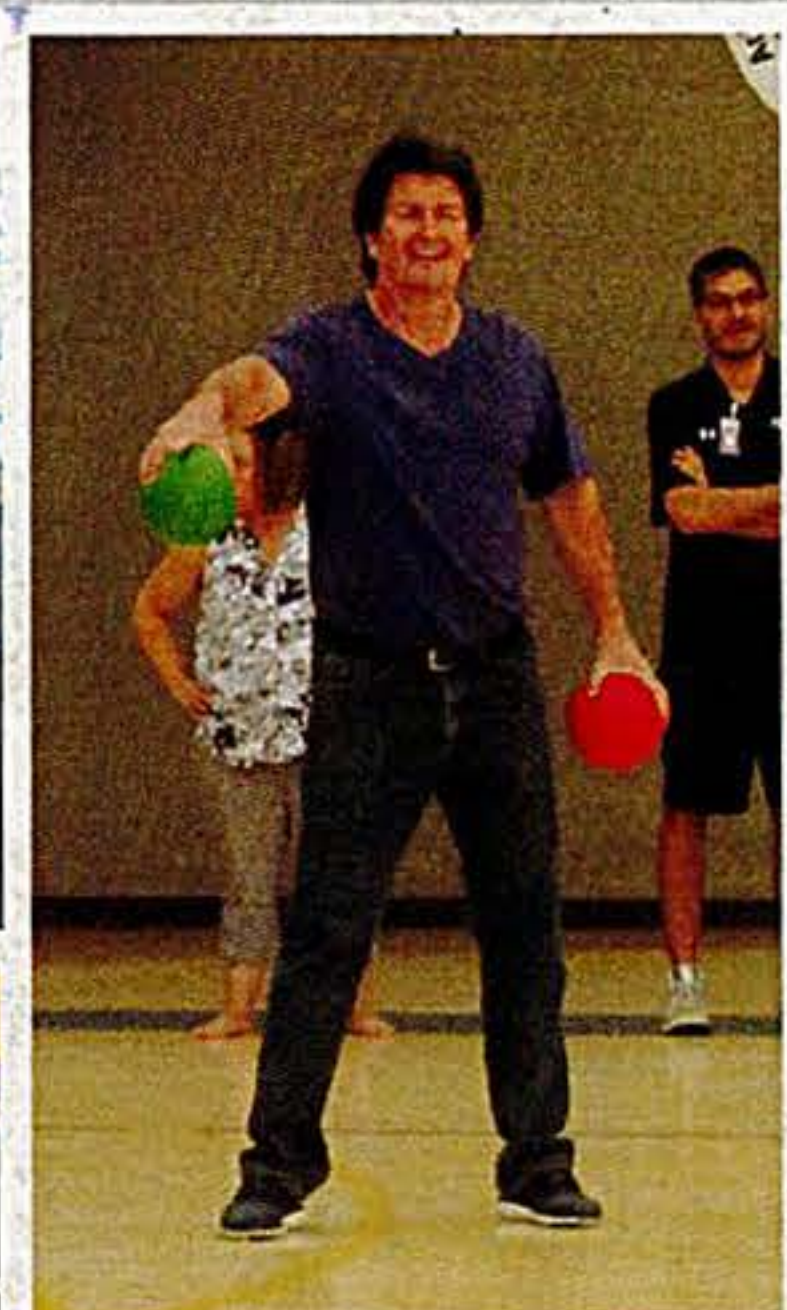

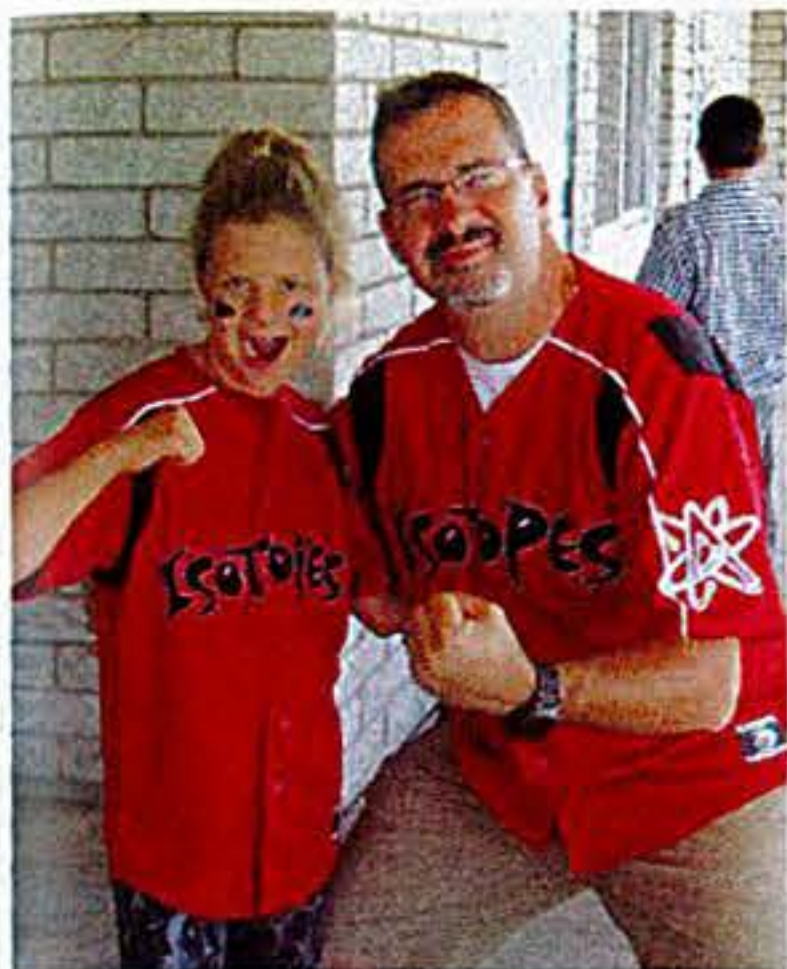

PDSD is proud to announce that our 2015-2016 Battle of the Books was successful. Our three teams all made it to the playoffs! They had an awesome experience reading books, questioning each other, and competing against other Deaf schools across the nation. Two teams flew to Gallaudet University to compete in nationals. Thank you to our three chaperones, Renee Jantz, Jane Garza, and Wesley Porter for your dedication, time, and support of our teams. PSDS is already looking forward to next year's competition!

Monday was Pajama Day. During the course of the day when the message came up everyone had to drop everything and read. We did that four times throughout the day. Wednesday was the Book Character Parade. The costumes were so creative! Friday the author Sheena McFeely visited and did a storytelling of her book, "Shay and Ivy Beyond the Kingdom".

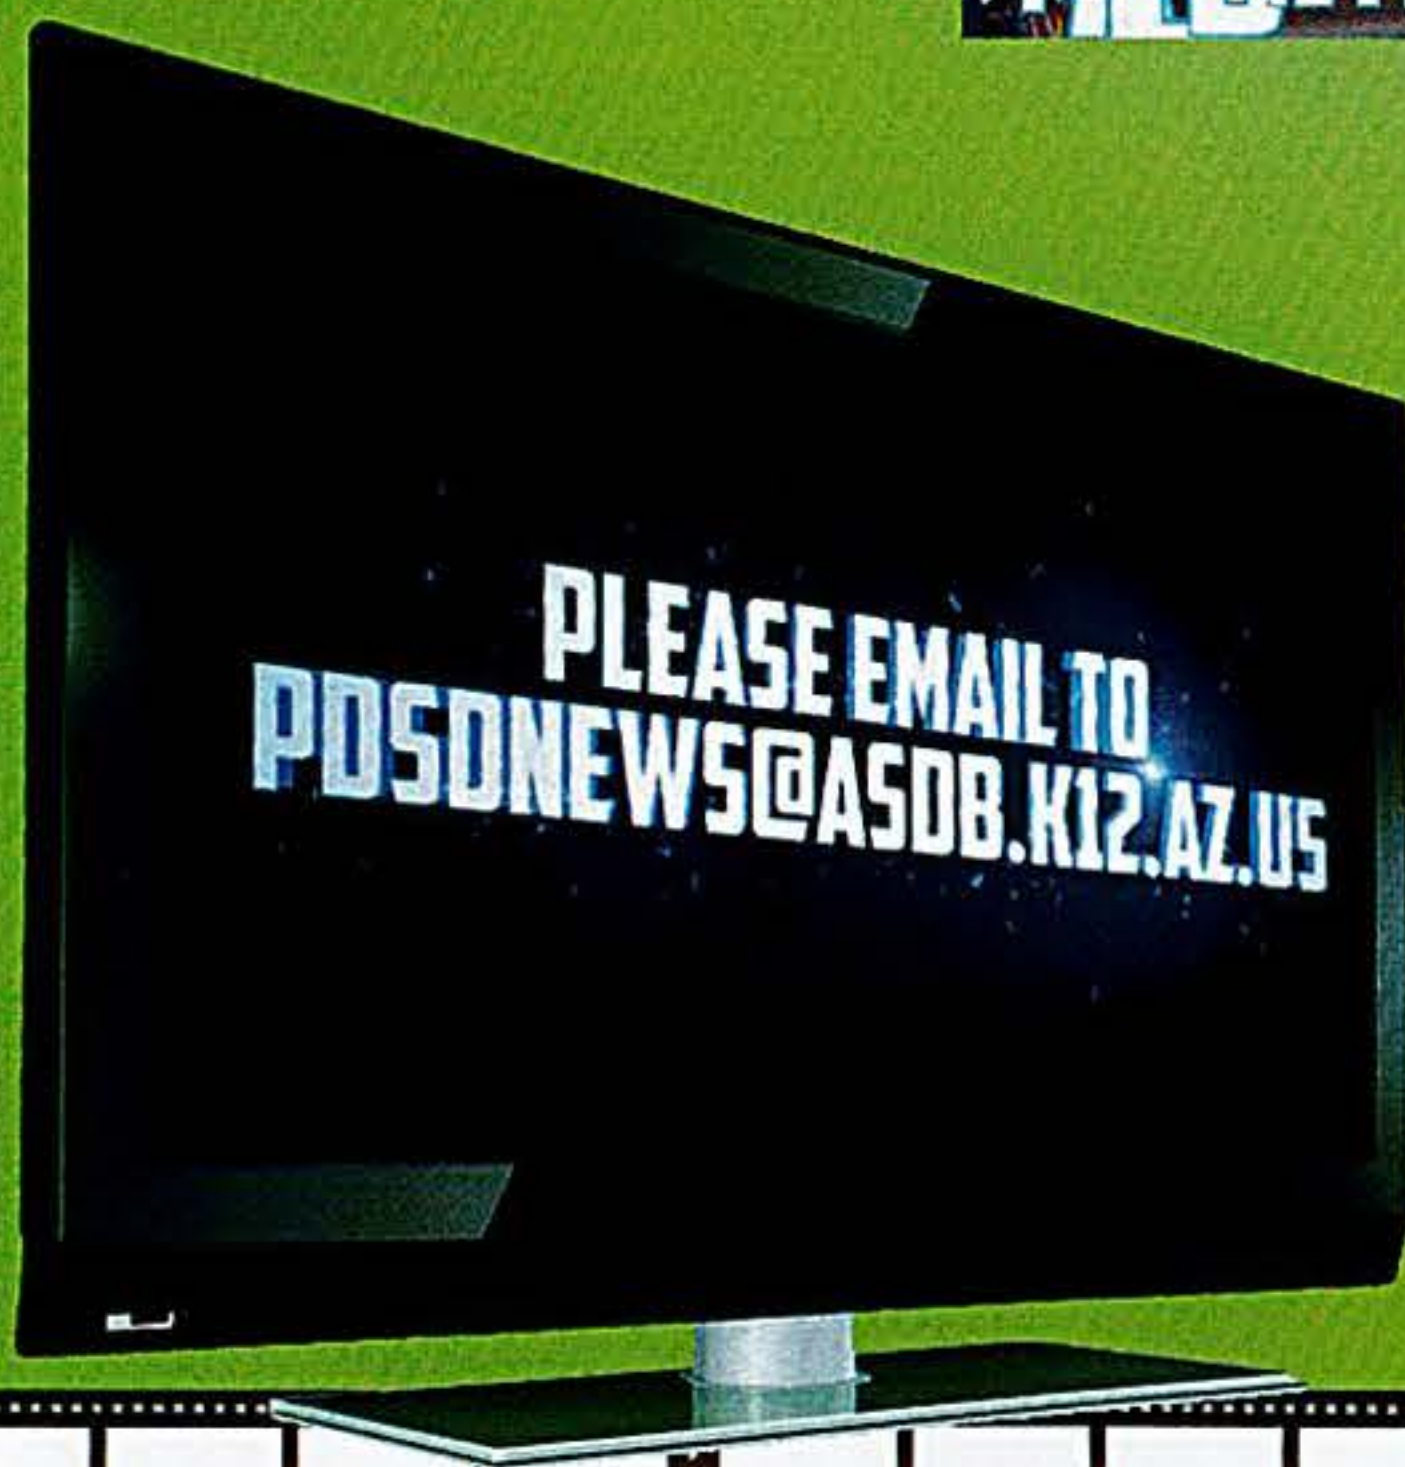

This year, we started PDSD's very first TV news team where our students keep other students and staff in the loop on what's happening at PDSD in sports, events, clubs, organizations, announcements and sharing fun facts on the PDSD channel.

This year's team did an amazing job and we all are looking forward to continuing this next school year!

#SELFIE

Students and staff took selfies to share their funny, silly and/or happy faces.

DON'T GET IN TROUBLE, DO WELL IN SCHOOL!

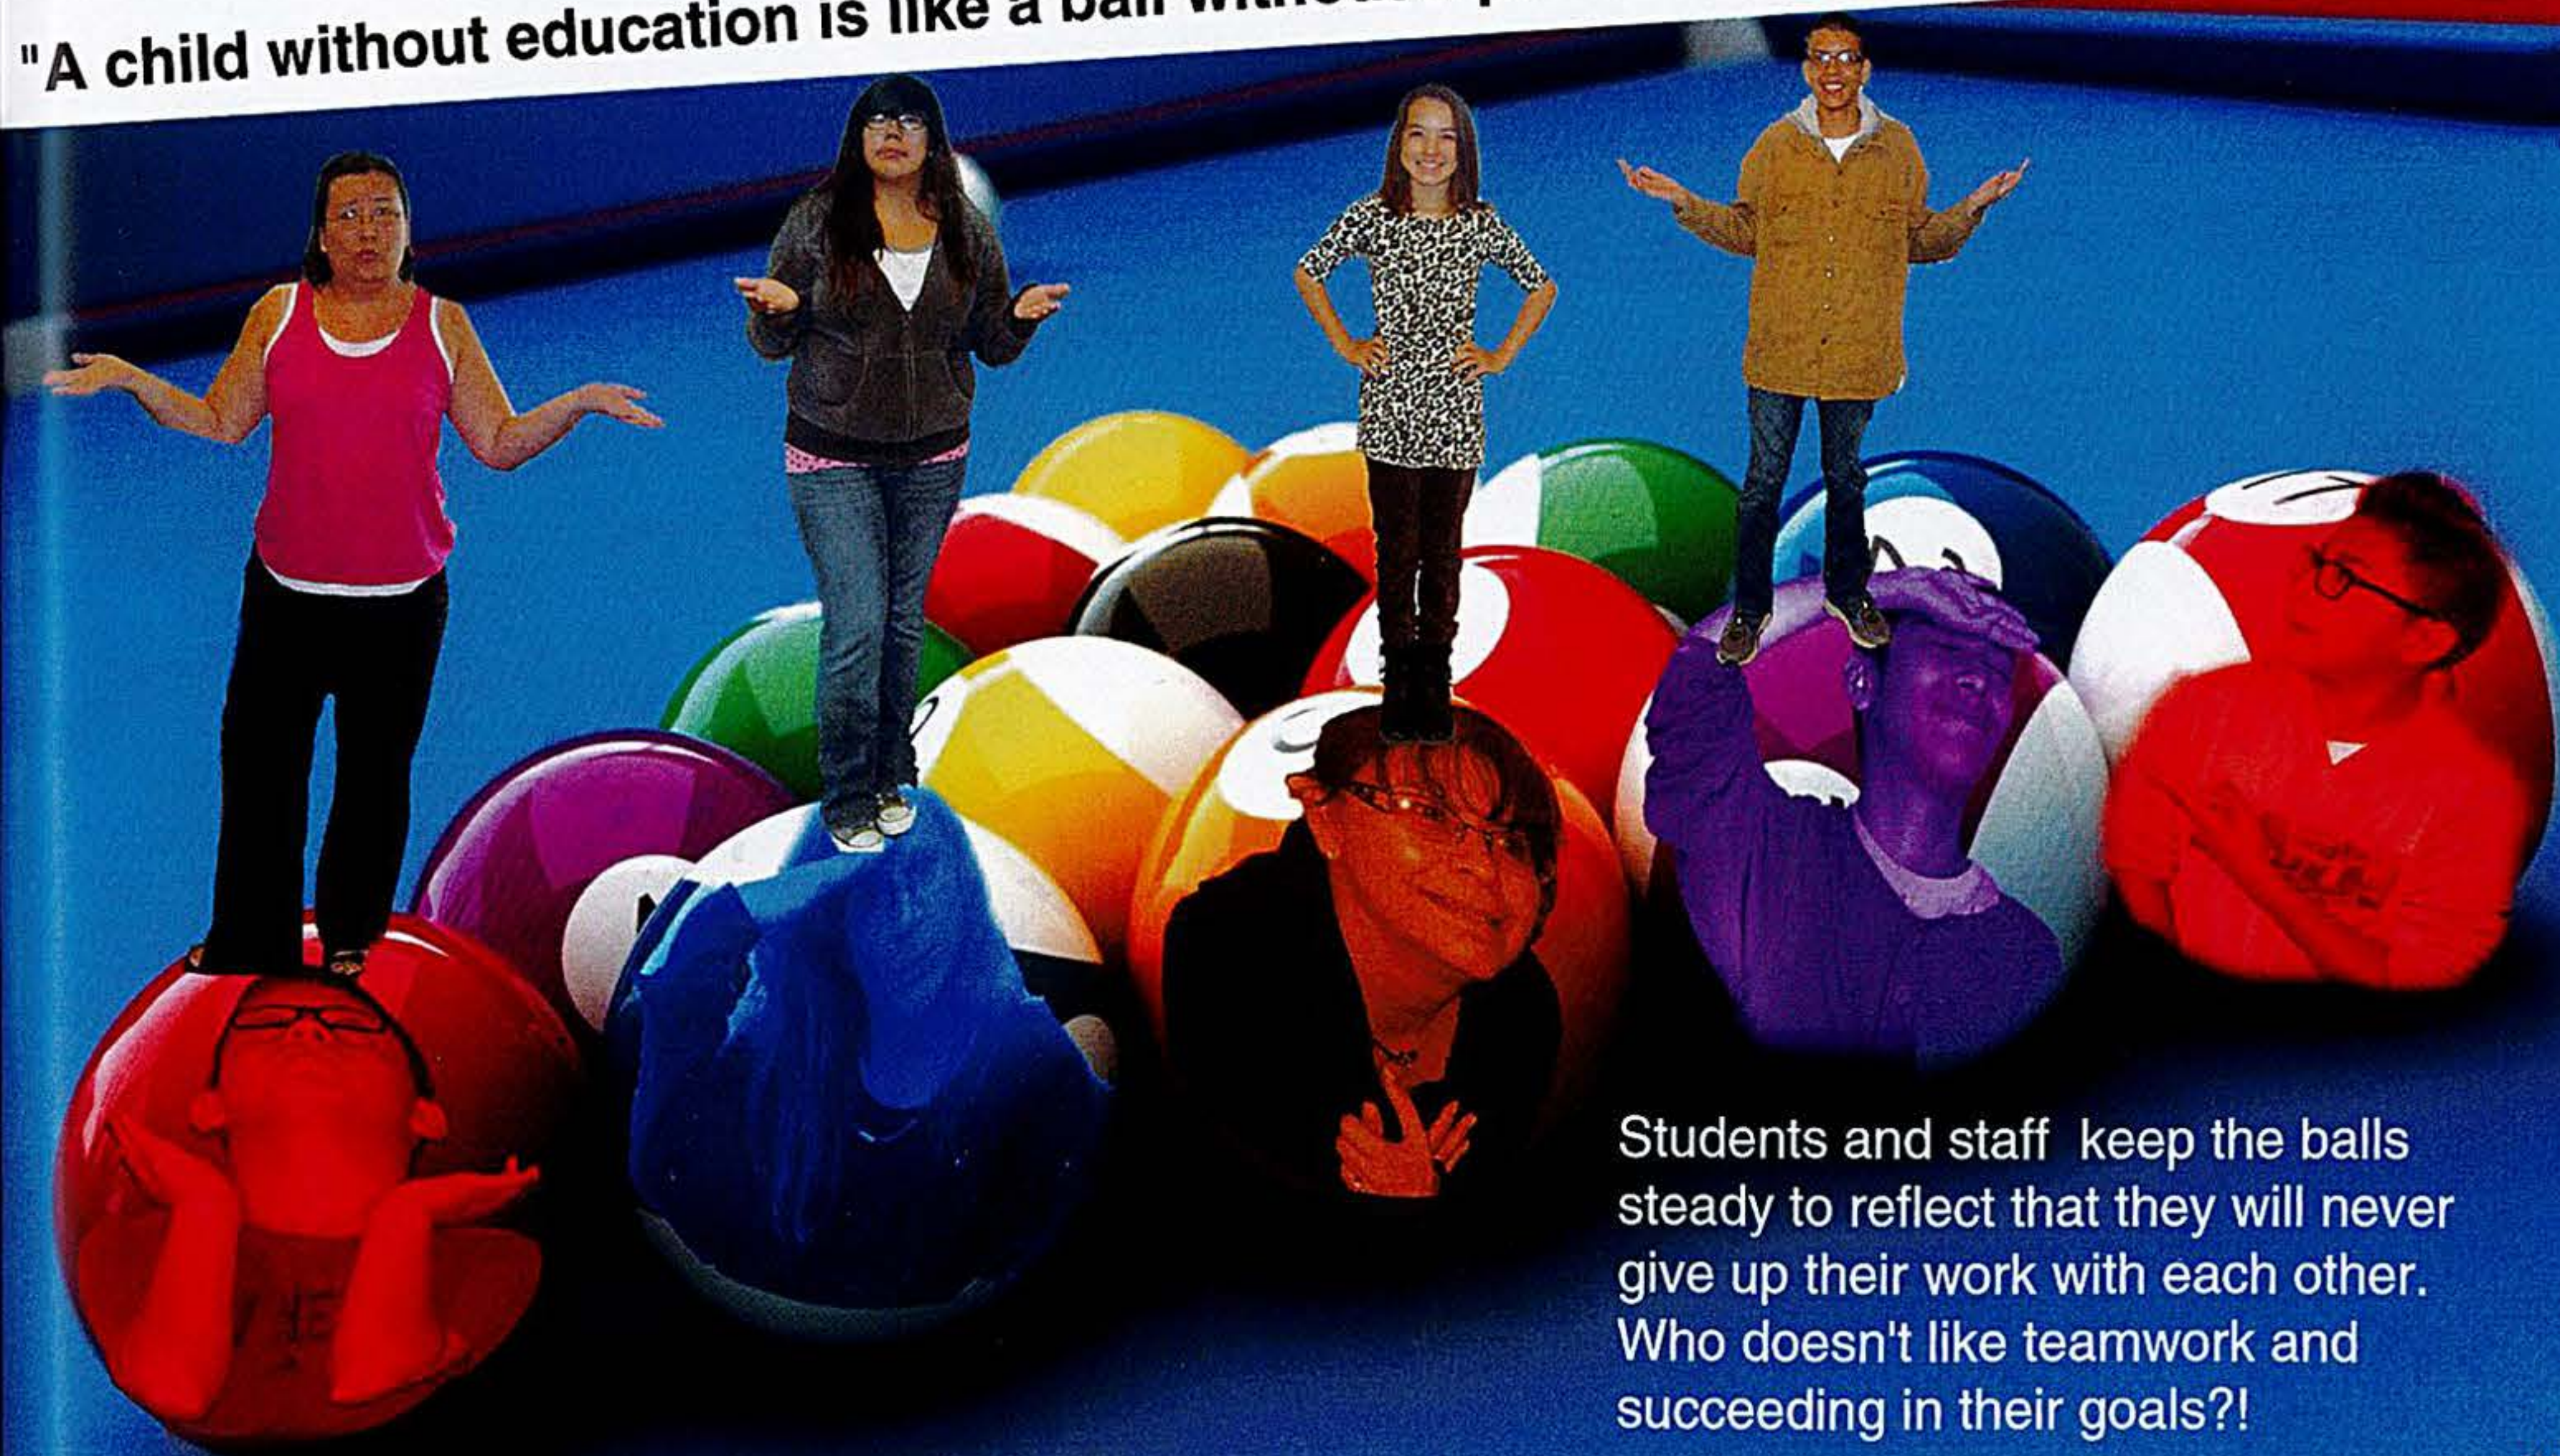

Never give up in school. Don't give up on studying, doing homework, completing projects and being cooperative with other students and teachers.

If you play pool, you never want to give up and lose just because you hit the wrong balls into the wrong holes. The same goes for school. Stay focused and you will grow, do well and succeed!

"A child without education is like a ball without a pool stick."

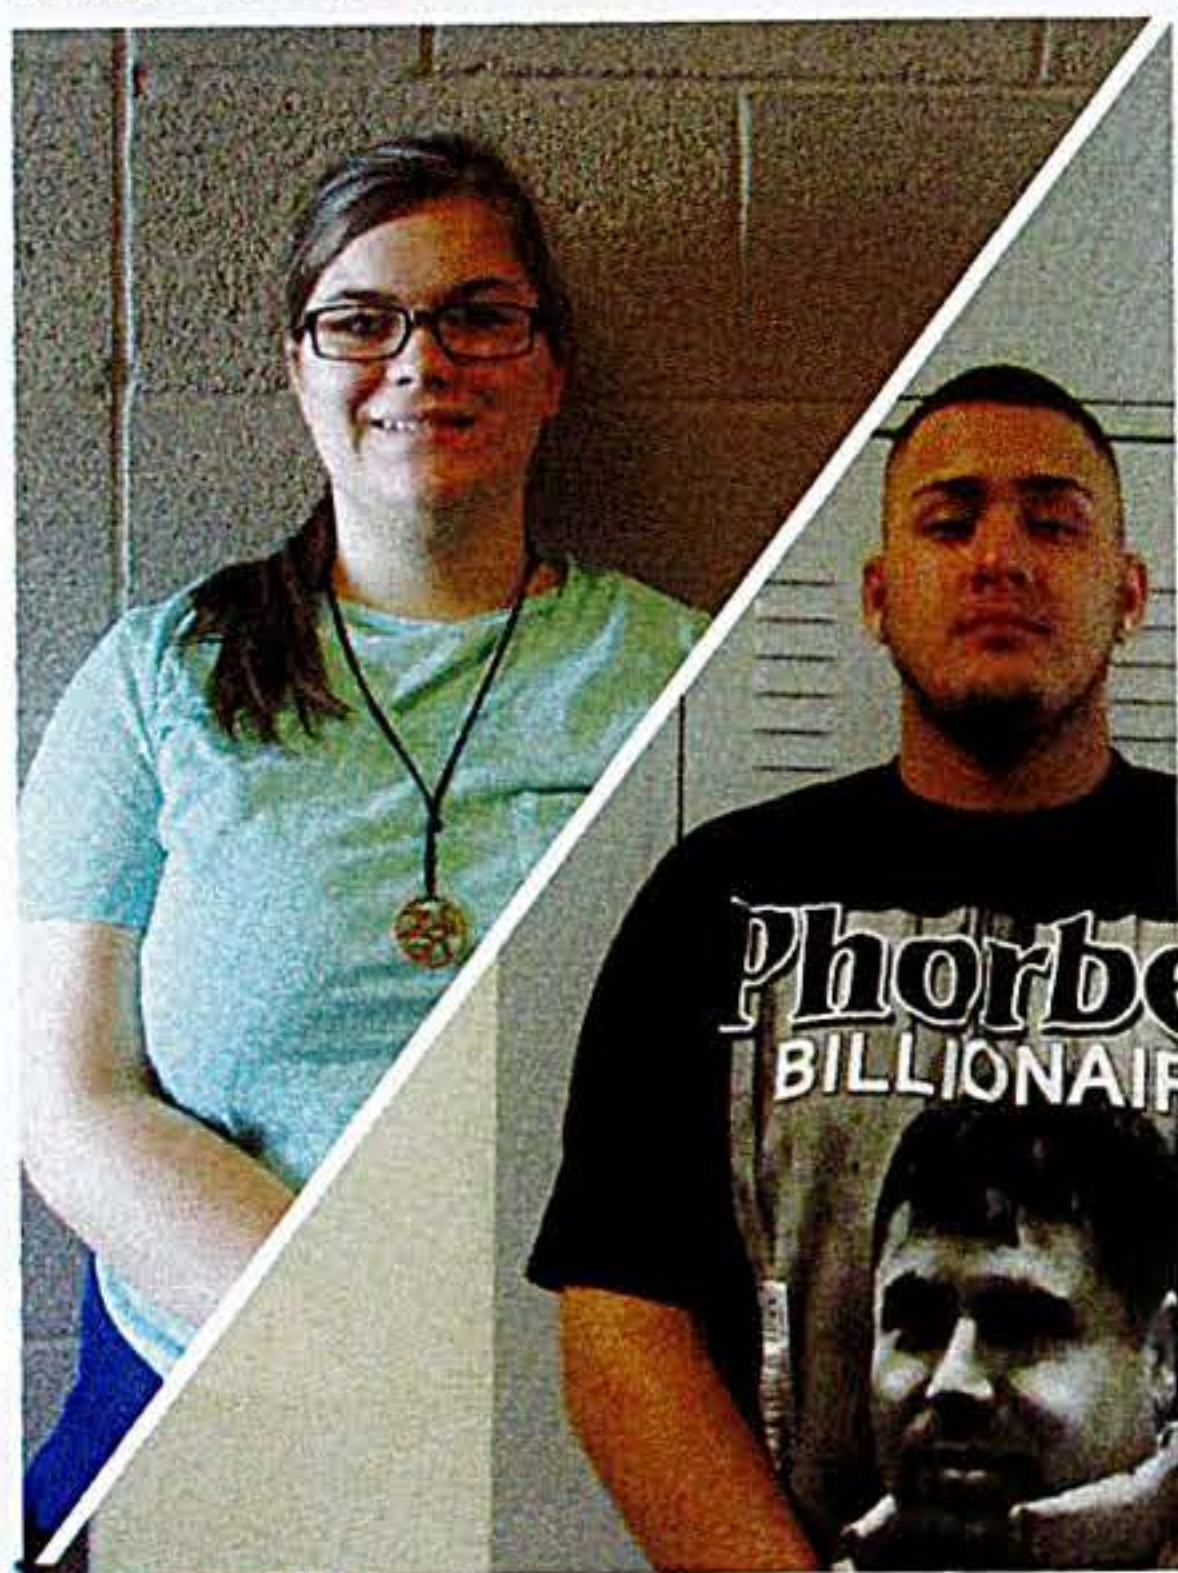

Students and staff keep the balls steady to reflect that they will never give up their work with each other. Who doesn't like teamwork and succeeding in their goals?!

PDSD's Future

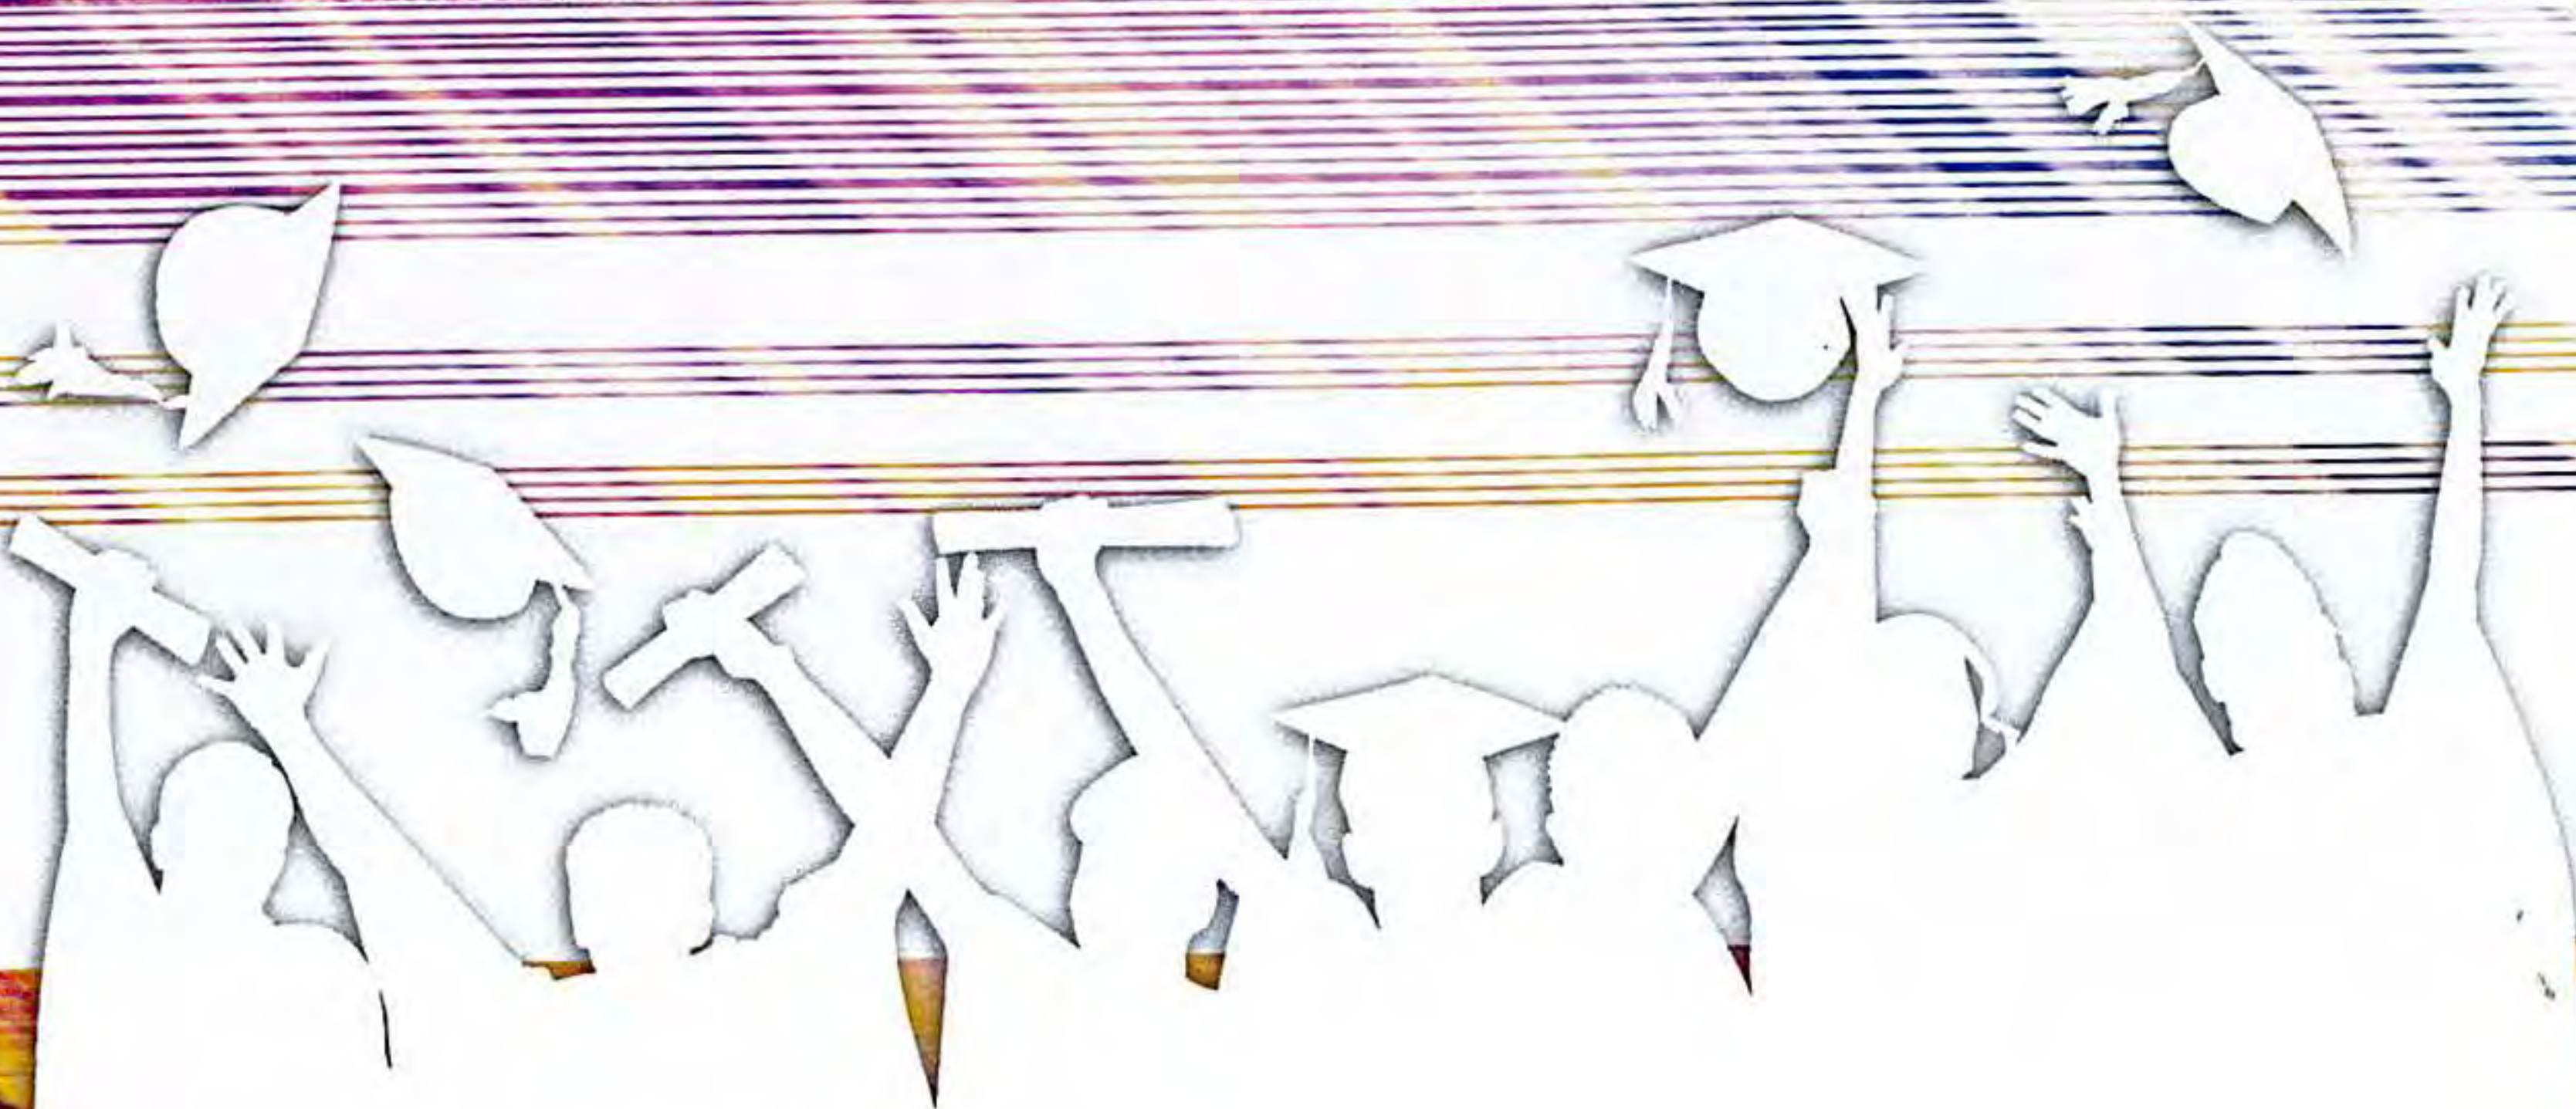

In the future, everything will be better! The locks in both doors and lockers will be replaced by Touch ID; just press your finger on the scanner where the locks used to be, and if it recognizes you, the lock will unlock (this also applies to locking lockers and doors, not just unlocking). There will be futuristic classrooms, windows with changing backgrounds of space, your house, the sun and so much more! There will be computers built IN the tables! If a teacher is absent, a robot substitute will arrive, ready to fill in for the teacher until the teacher returns! There will also be teleporters in classes, so if you are late to class, you will be teleported straight to class! There will be no more heavy homework, just put it in the cloud (iCloud)! This is the future!

Letter to Graduating Seniors:

Seniors of 2016!! You made it and well done!

Please accept our sincere congratulations on completing your Senior year and getting ready to take on the world! From the Board of Directors, Superintendent Lamer, and me as your Assistant Superintendent, we wish to recognize your hard work that gets you to this point in your lives. As you move ahead, please remember the teachers and all the staff who have been honored to be part of your lives - they have worked hard also. Many of you received special awards and we also share in your pride. More rewards are yours in your future - take the time to make use of all your strengths, and take advantage of every chance you have to grow, learn, and lead. Younger students can look up to you with pride as they also come to their senior year. Be proud Roadrunners! Now, make that road YOURS!

Sincerely,

Dr. Marvin J. Lamer
